

World-Class  
Beaches and  
Tranquility Are  
What Bring You  
Here...

A dollar a day can help  
preserve our islands.

HERE'S WHAT  
YOUR \$1  
SUPPORTS:

RECYCLING DIVERTS "WASTE"  
THAT LITTERS OUR LAND AND  
POLLUTES OUR WATERS.

Nearly 4.3 million aluminum cans to  
date

120,000 + lbs. of ocean-bound  
plastic to date

GREEN ADVOCACY  
AND EDUCATION

**Toxic sunscreen ban**  
to protect our coral,  
marine life & human  
health

**Bans of plastic bags  
and straws** to keep  
plastic out of our land  
& sea

**Ban the Burn**  
contributing to  
territory's excellent air  
quality, among only  
three places in the  
world meeting the  
WHO's clean air  
standards

ISLAND GREEN LIVING

*US Virgin Islands*

Sustainable  
Company of the Year

Platinum  
Transparency  
2025
